

Sullivan Upper Preparatory Department

Uniform Requirements for Prep 1 – Prep 7

Vision for Uniform:

We are a Preparatory Department and wish to maintain our high standards of appearance, while also ensuring that our children are comfortable in their uniform and therefore their learning and also while trying to reduce the financial burden upon our families.

We request your support for regulation uniform to be worn but please do connect with us if your child has any difficulties with any aspect of the school uniform or you have any difficulties sourcing any items.

Please email acairns895@c2ken.net for further information.
